Your Excellency, W. T. Thornton, Governor of New Mexico

We, petitioners, residents of Santa Fe County Precinct No. 5 who have signed below, owners of various properties and heads of families, respectfully present to your Excellency that we have been unjustly deprived of our Santa Fe river water rights by the Santa Fe Water Company. Many of our families, our animals, and we petitioners are suffering greatly because the Santa Fe Water Company is diverting the Santa Fe river water that we have had an irrecoverable privilege [right] to use since our ancestors time. As of the present date we still have not been able to plant our crops for lack of water; crops that we depend on to support our families.

For those reasons, to your Excellency, as the Executive of the New Mexico Territory, we ask that you take the necessary steps that are just and proper to ensure that our water rights are respected and that you grant our plea, otherwise our families will perish of hunger because we cannot plant our crops for lack of water. Observing that solely we the inhabitants of said Precinct No. 5 know the severity of the present calamity, and that as of this date we have not been able to get one solitary drop of water for our crops nor one solitary drop of water for our animals.

We petitioners
